

HEADTEACHER UPDATE

Dear Parents / Carers,

It was lovely to see some of our Year 1 parents joining their children for a Maths workshop earlier this week. Our next workshop is for our Year 2 children. Don't forget to sign up using the link that was sent to you, if you are able to attend. Our Year 5 children have been out today visiting Science Oxford, so I look forward to hearing all about their trip next week. Our Year 6 children have been out all week on their residential. I have spent the last couple of days with them, and they are all having a great time.

Mr Garner

Year 3

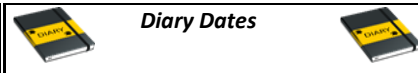

Year Three are half-way through their history topic where they are learning about the changes that took place between the Stone Age and Iron Age. So far, they have learnt about the three stages of the Stone Age and how life was different in each stage.

This week, they were able to explore some artefacts from the Stone Age from the West Berkshire Museum. They considered how these artefacts linked to their learning. For example, how different the simple flint knife from the early Stone Age was compared to the more intricate arrow heads from the Neolithic era.

Year 1 Maths Workshop

Great to see teamwork in action. Parents of children in Year 1 joining their children for a workshop on how to support Maths run by the Education Team at BFC. The first of hopefully many more. Keep an eye out for flyers and info of how to get involved next time!
