Group Time

During group time, children engage in interactive activities centred around Literacy, Maths, Physical Development, Personal, Social, and Emotional Development, Communication and Language, Understanding the World, and Expressive Arts and Design. Whether we are sharing stories, singing, enjoying yoga and dough disco, or exploring our latest topic, these sessions are designed to be fun and engaging. Most importantly, group time provides children with the essential knowledge and skills that build a strong foundation for all their future learning.
